Nur Sci 298 or Nur Sci 299
Ph.D. Enrollment Authorization Form

Note: If you have advanced to candidacy, you do not use the 298 or 299 course mechanism anymore; please sign up for Nur Sci 296 Doctoral Dissertation Reading and Writing for 12 units each quarter until graduation

In order to receive course credit, complete this form, have it signed by the faculty member with whom you are studying, and submit it to the Ph.D. Program Director and GNSAO at gnsao@uci.edu no later than 2 weeks prior to the beginning of the quarter in which you wish to enroll. After receiving approval, you will be sent an authorization code to add the course.

Definitions:

Nur Sci 298 Directed Study is an instructor driven exploration of a specific topic of interest beyond the courses already available, with assignments as appropriate. The student, in close consultation with the faculty member with whom they wish to study, must develop a proposal for a rigorous course of directed study including what the student wishes to accomplish and the number and length of faculty/student meetings.

Nur Sci 299 Independent Study is for students who work closely with a faculty member researching or working on projects as an extension of their required course requirements. For example, mentored individual research or working as a Graduate Student Researcher.

Note: 298/299 Do not meet criteria for "required electives" in the PhD curriculum except by explicit exemption that can only be obtained via petition through the Dean of the Graduate Division
