

*You are invited to join us for a seminar*  
**Optimal Care for Children with Chronic Conditions:**  
*Challenges and Opportunities for Family-Centered Care Delivery*  
with

**Jennifer Baird, PhD, RN, MSW**

Pediatric Health Services Research Fellow,  
Boston Children's Hospital, Boston, MA

Dr. Baird's research centers on the care experience of families of children with complex chronic conditions and suggests that this growing population of children has unique care needs. As a pediatric intensive care unit (PICU) nurse with interdisciplinary training in social work and public health, Dr. Baird addresses this clinical issue from a distinctly multidisciplinary perspective.
