Pain Care at the Intersection of Opioid Crisis: Provider Bias, Patient Self-management & More...

Salimah H. Meghani, PhD, MBE, RN, FAAN

Associate Professor
School of Nursing
University of Pennsylvania

This presentation reviews recent policy initiatives in the United States to combat the peaking opioid crisis and discuss their implications for care of patients with moderate to severe pain and for widening pain management disparities. Dr. Meghani will present examples from her past work and discuss implications for future research and scholarship.

Friday, March 23, 2018 from 12:00 - 1:00 p.m.
