

You are invited to join us for a lecture:

Informatics and Design to Connect Community and Clinical Contexts

Blaine Reeder, PhD

Assistant Professor
College of Nursing
University of Colorado Denver

Dr. Reeder is a human-centered design methodologist who conducts informatics research on the health-related activities of patients, family members, and care teams. He has a PhD in Biomedical and Health Informatics from the University of Washington, School of Medicine, and completed a post-doctoral fellowship in biobehavioral nursing at the University of Washington, School of Nursing.

Monday, April 16, 2018 from 12:00 - 1:00 p.m.

Location: Berk Hall Computer Lab
