

You are invited to join us for a Faculty Mentoring Workshop Series:

Thriving and Surviving in Academia

Kathleen Dracup, RN, FNP, PhD
Dean Emerita and Professor Emerita
UCSF School of Nursing

This presentation is the first in a series of workshops to support faculty mentorship. Mentoring is a dynamic process of building supportive faculty relationships to enhance professional growth and maximize individual potential. The desired outcomes for the mentorship program include: retention of outstanding faculty; successful productivity of faculty; and mentor and mentee satisfaction.
