

The information below serves as a guide for Nursing Science students to plan their General Education requirements and unique situations that might impact course planning. While we make every effort to keep this information current, **students should refer to the UCI General Catalogue website for a comprehensive, updated information:**

## Common Strategies and Considerations for Nursing Science Majors

- The General Chemistry Series (1A-1B-1C) will “double-up” and count towards Categories II and Va
- Sociology 1 or 3 will count towards Categories III **AND** VII
- Anthropology 2A, Anthropology 41A, or Sociology 2 will count towards Categories III **AND** VIII
- Students should double-check the UCI General Catalogue to confirm how AP, IB, and/or SAT scores might impact their GE Requirements:
  - AP and IB Credit: <http://catalogue.uci.edu/informationforprospectivestudents/undergraduateadmissions/#ap>
  - GE Categories: <http://catalogue.uci.edu/informationforadmittedstudents/requirementsforabachelorsdegree/#GErequirement>
