

### Nur Sci 298/299 Enrollment Guidelines

This form is for use by current graduate nursing students in the UC Irvine School of Nursing only. Undergraduate students with questions about signing up for Nur Sci 199 units should contact [nssao@hs.uci.edu](mailto:nssao@hs.uci.edu) for guidance. Graduate students who have questions about how to use and submit this form can contact [gnsao@hs.uci.edu](mailto:gnsao@hs.uci.edu) or their academic advisor.

In order to receive course credit, please complete this form, have it signed by the faculty member with whom you are studying, and submit it via email to [gnsao@hs.uci.edu](mailto:gnsao@hs.uci.edu) no later than 2 weeks prior to the beginning of the quarter in which you wish to enroll. Doctoral Program Directors will review requests from PhD and DNP students. The Director of Student Affairs will review requests from MEPN students. After receiving approval, you will be sent an authorization code to add the course.

PhD Students: If you have advanced to candidacy, you do not use the 298 or 299 course mechanism anymore; please sign up for Nur Sci 296 Doctoral Dissertation Reading and Writing for 12 units each quarter until graduation. 298/299 Do not meet criteria for "required electives" in the PhD curriculum except by explicit exemption that can only be obtained via petition through the Dean of the Graduate Division.

### Nur Sci 298/299 Definitions

**Nur Sci 298:** Directed Study is an instructor driven exploration of a specific topic of interest beyond the courses already available, with assignments as appropriate. The student, in close consultation with the faculty member with whom they wish to study, must develop a proposal for a rigorous course of directed study including what the student wishes to accomplish and the number and length of faculty/student meetings.

**Nur Sci 299:** Independent Study is for students who work closely with a faculty member researching or working on projects as an extension of their required course requirements. For example, mentored individual research or working as a Graduate Student Researcher.

MEPN Students: Eligible for 299 Enrollment Only
