

Nursing Science undergraduate students at UC Irvine admitted as Transfer Students begin coursework in Year 3 of the four-year program. Students with questions about course planning should contact staff in the Nursing Science Student Affairs Office or via email at nssao@uci.edu

University and UCI Requirements

- Entry Level Writing Requirement* American History & Institutions* General Education (GE)**

*The Entry Level Writing Requirement and American History & Institutions requirements are monitored and managed by UC Irvine’s Office of Undergraduate Admissions. Students who do not have these requirements marked as “satisfied” upon starting coursework at UC Irvine should consult with their academic advisor to ensure that they are satisfied prior to graduation.

**Incoming Transfer Students may satisfy all GE requirements will full IGETC certification. Students without IGETC certification or with partial IGETC certification will need to complete any outstanding GE requirements prior to graduation.

Nursing Science Major Requirements

The schedule below reflects the third and fourth year coursework of the Nursing Science Major that all students admitted as Transfers to the Nursing Science Major must complete. All courses must be taken in this sequence at UC Irvine.

Courses designated with an asterisk(*) can be taken prior to admission, but are not required for admission. However, incoming transfer students are *strongly encouraged* to complete these courses prior to starting coursework at UC Irvine. Students who do not have these courses completed prior to starting coursework at UC Irvine must take them in the quarters designated below.
